

Sealed Bid Sale: Van Bergen & Greener, Inc.

Intellectual Property/Book of Business

Location: Maywood, IL
09/07/2023

The Van Bergen & Greener Company is a family-owned and operated fourth generation American automotive parts remanufacturer for the last 100 years. The company was founded in Chicago in 1919 and today is the only USA manufacturer of starter drives and starter drive components. This is a fantastic opportunity to acquire Van Bergen & Greener's extensive book of business, intellectual property, a huge selection of inventory and work-in-progress, customer lists, blueprints/designs, and much more!
